Warner Fall Foliage Festival

The Warner Fall Foliage Festival is October 12th & 13th, Columbus Day Weekend. Weather permitting we will be taking the Brown Dartmouth Coach (Grace) and set up in Jim Mitchell Park by the Main Street Bookends.. This is the last time we will be selling raffle tickets and we will have the drawing at the end of this event on Sunday afternoon. If you want tickets and won't be there, contact Peter or Verna James at 603 863-7330. There are some really nice prizes again this year. The raffle is set up so that you put your tickets into the canister for each item so you get to choose which item you would like to win. There are photos of the items on the back page of this newsletter.

Shirts

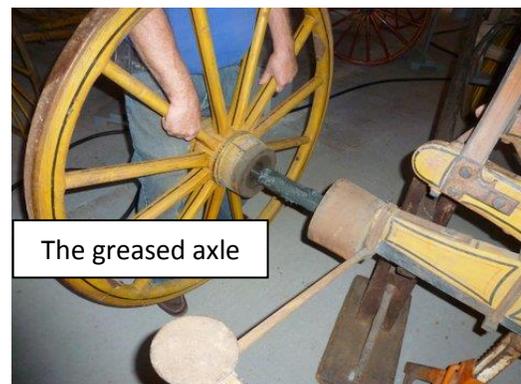

Garments of your choice can be embroidered for \$7.30 Bring them to the meeting or get them to Peter James by October 17th. He will take them to Manchester to have the updated logo embroidered on them. Shirts, jackets and other things can be done.

Coach Maintenance

It seemed like the Dartmouth coach took a lot of effort to move around. Just before the fair, Brian Erickson and Peter James used one of the antique jacks from the blacksmith shop to lift the coach and one by one removed the wheels and greased the axles. The grease was either non existant or all dried up.What a difference that made!!! Now one person can easily move the coach around the barn floor.
